- In-depth and comprehensive tutorial videos with captions
- Useful practical exercises and quizzes to test skills and knowledge
- Clear step-by-step guides of treatments
- And the most up-to-date information and techniques to keep Lash Perfect Academy trained techs ahead of their competition

## How it Works:

Get what you want today, pay it in four instalments, always interest free.

Add your favourites to cart

Select Clearpay at checkout

Log into or create your Clearpay account, with instant approval decision

Your purchase will be split into 4 payments, payable every 2 weeks

Clearpay lends you a fixed amount of credit so you can pay for your purchase over 4 instalments, due every 2 weeks. Ensure you can make repayments on time. You must be 18+ and a permanent UK resident (excl Channel Islands). Clearpay charges a £6 late fee for each late instalment and a further £6 if it is still unpaid 7 days later. Late fees are capped at £6 for orders under £24 and the lower of £24 or 25% of the order value for orders over £24. Missed payments may affect your ability to use Clearpay in the future and your details may be passed onto a debt collection agency working on Clearpay's behalf. Clearpay is credit that is not regulated by the Financial Conduct Authority. T&Cs and other eligibility criteria apply at [clearpay.co.uk/terms](https://clearpay.co.uk/terms).
